Executive Committee's Responsibility for the Financial Report

The executive committee of the union is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Workplace Relations Act 1996. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1, the executive committee also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that compliance with the Australian equivalents to International Financial Reporting Standards (IFRS) ensures that the financial report, comprising the financial statements and notes, complies with IFRS.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates

made by the executive committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

In our opinion, under section 257(5) of the RAO Schedule, the general purpose financial report is presented fairly in accordance with any of the following that apply in relation to the reporting unit:

- (a) the Australian Accounting Standards, and Australian Accounting interpretations;
- (b) in relation to recovery of wages activity;
 - (i) that the scope of the audit encompassed recovery of wages activity;
 - (ii) that the financial statements and notes and recovery of wages activity financial report properly and fairly report all information required by the reporting guidelines of Industrial Registrar, including;
 - 1. any fees charged to or reimbursements of expenses claimed from members and others for recovery of wages activity; and
 - 2. any donations or other contributions deducted from recovered money; and
- (c) any other requirements imposed by these Reporting Guidelines or Part 3 of Chapter 8 of the RAO Schedule.
