

# NOT WANTED

## FREELOADERS ON SITE

### WHO AND WHAT IS A FREELoader?

It could be your best mate.

Someone who reaps the benefits of allowances, redundancy, picnic days, RDO's etc without paying their way?

### WHAT TO DO IF YOU KNOW ONE?

First, don't panic..they are human.

Then ask them why? Persuade them to join a Union especially tell the younger generation, tell the history of the working man. For them to respect what they fought for such as better working conditions and better pay, and that they are reaping those rewards now.

### WHAT IF THEY DON'T JOIN?

Ask them to sign the following?

#### **Free Loaders Card**

I am opposed to all Unions and therefore I am opposed to accepting all of the benefits Unions have won through the years including;

- Proper wages, Paid Annual leave, 17.5% loading, Improved OH&S, Rostered Days Off
- Paid Union Picnic Day, Workers Compensation, Superannuation, Redundancy Payments
- Accident Make-up pay, Site Amenities, Public Holidays, Overtime Rates

I refuse to accept these benefits and any other benefits the union will win in the future.

I hereby authorise and direct the company to withhold the amount of the Union won benefits from my wages each week and donate it to charity.
